A Note from Pastor Karla...

And...BAM! it is 2021!

There are many of us that have been waiting for this moment, for 2020 to end and a new year to begin. We are hoping this new year will bring with it less change and less disappointment than the last. Even though it is just a page turn in the calendar, most of us are keenly aware that a new year is also symbolic of new life, new goals and new friendship. Most of us expect tomorrow to be better than yesterday, especially when yesterday includes a global pandemic and ever-increasing division in our nation. Truth be told, though, even though we may be looking forward to 2021, we don't really know what this year will bring and if it will be different than the last. That is the irony of it all. We can't predict the future. Or can we?

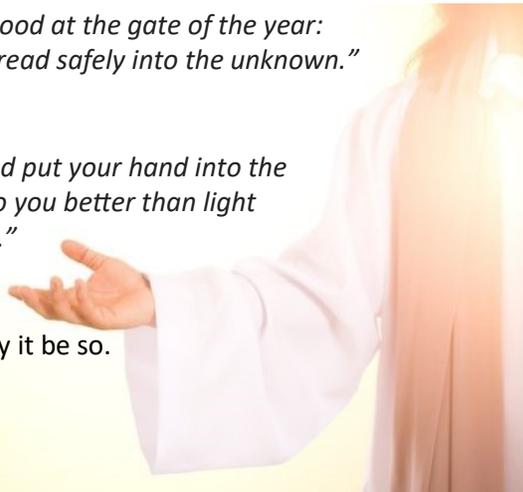

We may not know what this year will bring, but we know that God will be with us in whatever comes to pass. That doesn't change, that has never changed, and that is something. That is the one thing we can rely on.

So as we enter this new year, may we all let these words from poet Minnie Louise Haskins written in 1908 remind us of who we are in Christ. And may these words guide us all into a deeper relationship with God and with one another.

*And I said to the man who stood at the gate of the year:
"Give me a light that I may tread safely into the unknown."*

*And he replied:
"Go out into the darkness and put your hand into the
Hand of God. That shall be to you better than light
and safer than a known way."*

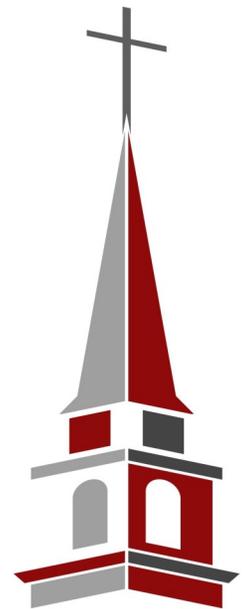

May it be so, my friends, may it be so.

**Session Highlights -
December 16, 2020**

The Session welcomed the 2023 Elder Class for examination at the December meeting, and confirmed Carolyn Griesemer and Gary Spradling for ordination and installation, Susan Cramer and Lynn Ziegenfuss (previously ordained) for installation, and Dr. Gresham Bayne for a second three-year term.

Church Treasurer John Leimbach joined the Session for a year-end review of finances and a look at the proposed 2021 budget. John noted that the church finances are robust despite a weak social economy. Rev. Karla Shaw described how many programs are changing in response to operational restrictions, while maintaining a balanced budget.

Elder John Brand presented a report from the (renamed) Online Services Working Group, which has been imagining ways to continue presenting online worship and other services when CoVid restrictions are lifted. The Session approved the Finance Committee's motion to hire staff and purchase equipment for operations in 2021. Funding for this new ministry will come from dedicated pledges and a forgivable Federal PPP loan.

Rev. Shaw concluded the Zoom meeting with a video presentation honoring recently departed member Fran Styles, and comments of appreciation for the departing 2021 Elder Class: Rebecca Cress, Susie LaDow, Samantha Przywitowski, Rob Wood, and Beth Zedaker, who completed a six-year stint and offered the adjournment prayer.

Thank you!!

Thank you to all of you who gave abundantly to and through the church in 2020! Despite the major losses we experienced in 2020 with our preschool closure/modifications and the extra pandemic expenditures, due to decreased operational costs, we are looking to end the year with a balanced budget. God has richly blessed us and for that we give thanks! And not only did your generosity help the church thrive, you also helped us give our mission partners who are struggling all over our world \$86,734.71. In addition to our mission partners, you gave \$8,970 to our Coronavirus Relief Fund. Those monies combined with \$4,700 in grants from our Deacons Care Fund enabled us to directly help those in our church and local community with extra needs due to losses incurred because of the pandemic (food, housing assistance, medical bills, etc.). Thank you for allowing us to be the conduit of God's grace in such a personal way!

"Something is Happening Here..."

You can feel it. You can hear it. It's in the music (as always). It's especially in the sermons. Something is different now, and we sense things will never be the same. Unlike the mysterious Mr. Jones of Dylan's famous song, we know what it is. The Holy Spirit is using a pandemic to open us to God's world, our lives included. We sense an opportunity for purposeful change.

The incredible sacrifices made by our wonderful staff have brought us a new form of worship we call "online services." We only get to see the finished product, but did you know it takes Alicia 50+ hours to produce one fully-integrated choir anthem? Did you know RO climbs to some pretty precarious locations to give us those amazing video shots? Do you know how many "takes" it requires to produce those flawless sermons?

First, we worried that our worship would not satisfy. Now, we enjoy "going to church" in our pajamas, sending links to our distant relatives and friends, participating in virtual online bible studies and small groups. And now, eleven months later, many are afraid we will lose our online services when we go back into our beloved sanctuary, but there is no need to worry.

Are you an empty nester lamenting the quiet in your house? How about a young adult looking for a way to give back? Maybe you are somewhere in the middle. We are looking for a few good adults to volunteer with our Brick Youth Program. We are so happy to be able to offer in-person meetings for our youth in grades 6-12. Most of them are still participating in distance learning with limited options for in-person social interactions. Anything we can do to help them connect with peers is huge for their mental health. The groups meet on Monday evenings following all safety protocols including social distancing, masks and frequent handwashing. We are looking for adults to help lead and guide these teens and pre-teens. If you are interested in getting involved by leading a small group discussion and/or building one-on-one relationships with the youth, please reach out to RO Smith at ro@pointlomachurch.org.

Christmas in a Box

During the first weeks of December, 65 lovingly packed boxes were delivered to the front doors of our San Diego families with children ages 3-11. The overwhelming joy and gratitude of our efforts to connect with those we cannot gather with during this time was immediate.

"Thank you so much for the gift you brought the other day! The kids opened it this morning, and it got them even more excited for Christmas (if that's even possible!). What a great and fun reminder that this time is all about Jesus' birthday. And the Advent activity book will be perfect for quarantine."

~ Rachel Arendt

Our MOPS group is a place for any and all moms with school-age children to gather for encouragement and inspiration. Please contact Julia Roller at mops@pointlomachurch.org for more information or if you'd like to join us! We will continue to meet over Zoom for at least the beginning of 2021, on Tuesday nights at 7 p.m. Our January meetings will start off with:

- Jan 12: Getting Organized for the New Year
- Jan 19: Book Club: *The Vanishing Half* by Brit Bennett

Journey continues on Mondays 4-5:30 pm starting on January 4. Email Karen if your 4th or 5th grader is interested in joining the fun. Due to current gathering restrictions, our group is limited to 14 kids.

Our Thursday afternoon Music and Arts Program students had a fantastic safe and social distanced Christmas celebration before the session ended for 2020. Check out page 6 for the new programs beginning in January.

Happy New Year!

The Children's Ministry is planning some cool stuff!

Please look for more information early in 2021 or email karen@pointlomachurch.org for details.

Easter in a Box— Our "Christmas in a Box" project was so well received we are planning a similar "Easter in a Box" kit for the families of our community. Each kit will include a colorful *Lent Adventures* guide full of short, action-driven, and heart-focused devotions focused on the life and teachings of Christ. There will no doubt be a few surprises packed into our front porch-delivered boxes that can be enjoyed and treasured in the weeks leading up to Easter. Please email karen@pointlomachurch.org to be included on the delivery list.

Something is Happening Here from page 2

In December, Session voted to stay fully committed to maintaining our online services post-pandemic. This enables us to care for those who may not be able to return to in-person worship and intentionally grow and share the grace of Jesus Christ with our broader world. As President of your Corporation I am happy to report, despite major setbacks in the closure of our preschool in the spring and other unexpected Covid expenditures, we ended 2020 on-budget with a growing endowment and adequate cash reserves. In addition, we received an unexpected \$90,000 gifted specifically to preserve our online services.

I now want you to think of your own talents and treasure. It is no surprise we will need additional staff and technologies to both return to in-person services and continue an online presence for those unable to reach the church physically. How might you be able to help? Do you have a talent to share that might help us grow our online platforms? Do you know of people beyond our walls who might benefit from our ministry?

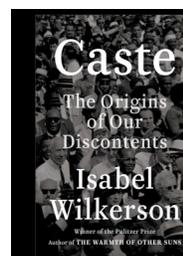

Think of how we can reach beyond Point Loma to those groups who have been missing or have never seen our beautiful services. Think of our world. Then, and here is the real challenge, think of who or which committee chair listed in this Spire you can contact to engage your talents or contributions.

Something IS happening here....I hope you will join in.

In Faith,
Gresham Bayne MD

Men's Rooted Group Forming Now

Rooted is a 10-week journey for people in every life stage. The weekly readings teach us what it means to be a disciple of Jesus through Scripture, prayer, worship, generosity and service. It isn't simply a bible study or a book. It is a community experience, where people practice 7 rhythms essential to a healthy relationship with Jesus. Individuals establish firm roots in the Truth of God's Word through personal study and then come together to discuss what they're learning in a space where they are safe and known.

Our Men's Ministry is planning a **Men's Rooted** class beginning the week of January 12
For details contact: evan@pointlomachurch.org

Our Men's Ministry is beginning a new session of Rooted geared specifically to men. All men are invited to join us on this JOURNEY into deeper faith through the Rooted series. Specific meeting times are still being finalized, but we will begin the week of January 12. Please contact Evan Gratz, evan@pointlomachurch.org for more details.

You Can Make A Difference! Donate Blood January 17

Did you know that the San Diego Blood Bank must collect more than 350 units of blood each day to meet the needs of local patients who are battling life-threatening blood disorders and cancers, suffering from trauma like burns or accidents, and even complications from childbirth?

The San Diego Blood Bank's Blood Mobile will be at PLCPC on Sunday, January 17 from 8 am—1:30 pm.

Due to Covid restrictions, appointments are required. You can visit www.mysdbb.org/donor/schedules/drive_schedule/66047 to schedule an appointment. All donors receive a T-shirt as well as the Covid Antibody test.

Our First Drive-In Worship service was such a success, we are doing it again! Please make plans now to join us on Sunday, February 7 at 10 am. Attendees remain in the vehicles and listen to the service via their car radio. Due to limited parking spaces, advanced registration is required. Register on our website at pointlomachurch.org/register.

Chancel Flowers—re:imagined

Each week, the Deacons deliver flowers (with masks and social distancing) in order to brighten days and bring cheer. We are so grateful to those who have donated to make this flower ministry possible. The flowers are given:

January 3

- in loving memory of Rick and Joanne Albrecht and their daughter Cindy by their family
- for Kelley and Walter by Audrey McManus

January 10

- in loving memory of Charlie Palma by Ruth Palma and family.
- in joyful celebration of the 5th birthday of granddaughter Hailey Ann McDonald by Kathleen McKnight

January 17

- in loving memory of Marianne and her mother Mary Fisk by John Boaz
- Happy 90th Birthday to Art Michalek

January 24

- in loving memory of Carolyn T. Meredith and Joel Calhoun by family

January 31

- in loving memory of John Clark and Verna Wood Lamott and Janet Hill Lamott by: David, Jack and Stephen and their families

In December the Tuesday Morning Women's Bible Study adopted for Christmas a grandmother who is raising her fourteen grandchildren. This project, sponsored by New Day Ministries, connected this family with our church and allowed us to live the flow between by purchasing food and gifts for them in this difficult time. May the image of this overflowing truck inspire you in this new year. We can do so much more together than we know!

Christmas Eve Open House

The Men@Work crew worked to make sure that many, many children received an amazing brand new bike for Christmas as they assembled the bikes that you all so generously donated for the Military Outreach Ministries Toy Store. We are so grateful for your generous donations that assured a Merry Christmas for many military children.

The Outdoor Movie Night was So Much Fun!

The Red Brick Preschool had a virtual Christmas program for the families. Each classroom was recorded separately and was then combined into one video program for all the families to enjoy. It was a wonderful re:imagination of our traditional Christmas program.

Thank You, Rachel Circle: The End of an Era

Rachel Circle, the last of nine women's circles established in the 1950's, has decided to conclude its run as a long-standing service and fellowship group in our church. In recent years, the group has diminished in size, but not in its spirit of service and enthusiasm for learning and growing in Christian fellowship. The faithful ladies of Rachel Circle typically would meet on the 3rd Monday of each month for coffee, tea and goodies; a very short business meeting; a devotion and then program or field trip. Most recently, the remaining ladies kept in touch on the phone and called each other regularly. However, with few remaining members and the impossibility of meeting in person this year due to the pandemic, its members have reluctantly decided that the circle has rounded its last corner and the time has come for the circle to close.

Presbyterian Women's groups began at PLCPC mid-century with nine circles, each with a different focus or purpose, based on the life stage of its group members. Groups were named after women of the Bible, such as Mary, Esther, Lydia, Tabitha, Martha and Rachel, Each offered friendship and the opportunity for church involvement based on various interests and needs. For example, Tabitha Circle was for mothers of preschoolers; Lydia for working women; and Martha for those interested in sewing or craft work. Other circles focused on Bible Study, bridge, and social luncheons. Rachel Circle consistently acted as a service group, and over the years has served the church – and greater community – in a variety of ways, such as:

- Addressing all-church birthday cards
- Making lunches for VBS Workers
- Polishing silver on an as-needed basis
- Providing gift cards for Military Outreach Ministries
- Making donations to USO and Wounded Warriors
- Being available to help with church office projects
- Taking inventory of the church kitchen
- Sponsoring orphaned children in impoverished countries
- Cutting and rolling strips of bandages to send to Africa
- Raising funds to send to missionary groups in Haiti and elsewhere
- Attending Presbyterian Circle conferences

The ladies also prioritized learning about new people and organizations in our community. They would often host interesting guest speakers at their monthly meetings, including missionaries, leaders of non-profit organizations, and even local politicians! Always open to new members, the ladies of Rachel Circle graciously welcomed guests with their warm Christian hospitality.

The gentle but significant impact that Rachel Circle had on the life of the church is immeasurable, as well as the inextricable bond that these ladies shared by meeting monthly for more than 60 years. Supporting each other through life's joys and sorrows and the unique life transitions that women experience strengthened their faith and inspired them to serve others. It is with heartfelt gratitude that we acknowledge and thank the ladies of Rachel Circle for their faithful fellowship, fun, and service to our community, and acting as an example to all women about the value of lifelong friendship.

A leaf will be added to the Tree of Life in honor of Rachel Circle.

Pictured above are members who were present on October 15, 2015, front row: Carol Simpson, Marge Grant, Susie Mueller. Middle: Dotty Burgess, Marti Baird, Joanne Hickey. Back: Fran Styles, Rosie Rutherford, Pete Griffith, Judy White.

Others not present that day include: Joanne Albrecht, Lenora Daggett, Millie Gallaher, Jane Howard, Lou Moody, Nancy Stangland, Julia Stradling, and Jane Tody.

LIVING the FLOW
BETWEEN

Yes! The calendar has changed to 2021, but there is still time to return a pledge card for the year. We are so grateful for your faithful giving and planning by returning your pledge cards! We are currently 77% of the way to our budget goal for 2021. Whether you choose to give online, by mail or in-person, turning in a pledge card helps us plan our ministries for the months ahead. With your support we can keep sharing God's abundant love in our community, and beyond.

If you need a pledge card or more information, please visit pointlomachurch.org/give or call the church office, provide your mailing address and we will make sure you receive the information via postal mail.
