Prayer of Confession

Evan Gratz

Where does the power of your name come from, Lord God? We can't see it. It's just a name.
Your name comes from vulnerability. Your name comes from the cosmos created at your fingertips.
Your name comes from your mindfulness of us, mortals. Your name comes from creation freely shared.
Your name comes from the breath you've gifted us. Your name comes from all the wild things in the sky and the sea
that speak of your glory. The power of your name comes from everything seen and unseen.
Let the moon and the stars you established remind us of your name and call us back to you. Amen.

Affirmation of Grace

We have a name, we have an identity, because of the graceful shadow the Holy One's name casts on us.
What are we that you care for us so? We are your children, forgiven and set free. Alleluia!
