## Welcome . . .

. . . to Point Loma Church, a.k.a. *The Red Brick Church*. If you are visiting with us this morning, we hope that you sense the presence of God here as we worship together, and that you will discover new ways to glorify Him in your life.

Inside these pages and on the kiosk on the Plaza, there is information about what life at PLCPC is all about. The greeter by the kiosk is waiting to welcome you and mention ways that will help us get to know you. If you are curious about our programs for Children and Youth, the greeter has that information as well.

To visitors and others: There are Welcome cards in the pew pockets in front of you. If you have a prayer request or would like to share more of your story and interests, please fill out a card and place it in the offering or hand to an Usher.

We are an active church and are constantly looking for ways to serve our own members and other communities. We hope you will discover something of interest to you and want to come again to worship with us.
