Intergenerational Mission Trip to Rancho Genesis

Join us and our ministry partners in Mexico this summer. Rancho Genesis creates learning experiences for the orphaned and migrant children of Baja California, Mexico. These children have experienced intra-family violence, sexual abuse, abandonment, malnutrition, insufficient medical care, and lack of education. This summer, you will have the opportunity to love and serve through building a one-on-one relationship with an orphan as you share the love of Jesus through VBS and Outdoor Adventures. The programs of Rancho Genesis help to build positive self-esteem, the ability to express their potential, and most importantly, an understanding of God's unconditional love and deep desire for a personal relationship with everybody. Genesis desires to follow God's will and guidance as we love and serve His children.
