Welcome . . .

Welcome to the Red Brick Church!

If you are visiting with us today, I would like to extend you a warm welcome. May you sense God's presence in our time together and may your soul be refreshed and renewed.

Earlier this spring, we unpacked the words of the Jewish *Shema* and learned how to love God more with our everything. This summer we are continuing with Jesus' addition to the greatest commandment by unpacking what Jesus meant when he said, "Love Your Neighbor." As part of our summer series, we will feature many of our mission partners in creative and celebratory ways. I do hope you will be able to join us! May God inspire us all to continue to be his hands and feet in this world.

No matter what you bring with you through the doors today, you are most welcome. We are a church that seeks to love God and love others more. I feel confident that life is not an accident, instead God leads us to places to minister to us. So today, how might you be open to God working in you? This insert offers a glimpse into a portion of our ministries and information on immediate future events. To get a broader picture of our community, please visit www.pointlomachurch.org.

Once again, welcome, and for some of you, welcome home!

Joyfully,
Pastor Karla
