Welcome to the Red Brick Church!

Good morning and welcome to worship! If you are visiting with us today, a special welcome to you! We are a church with a vision of "Loving Everyone to LIFE With Everything We Have." We do that through an authentic community that seeks to Experience Jesus, Journey into Deeper Faith, Strengthen the Church, and Transform our World. If that sounds like a place where you would want to grow in your faith, then welcome home! Either way, whether you are traveling from near or far, may God minister to you in our time together this morning.

We are well into our current sermon series, which is our theme for the rest of the school year: "With Everything." You guessed it—it's the end portion of our vision statement. I figured if we are going to try to live into such a grandiose vision, then it would be good to define what it really means. God doesn't ask us for everything to torture us, God asks because he loves us more than we love ourselves. My prayer through this series is that we would understand more clearly by way of our commitment to God, just how deep and wide his love for us really is.

So take a deep breath, you are in a safe place now. May God work in and through you in this hour. And in the end, may your soul be refreshed as you walk back out the doors into the rest of your life.

Many blessings,
Pastor Karla
