Welcome . . . to the Red Brick Church

~ ~ ~

Welcome to worship in this new year!

If you are a visitor with us this morning, you are most welcome! I do hope that you sense God's presence here in our community. We are an active church where love is central. Our vision, mission, and values found on the front of the bulletin and at pointlomachurch.org are something we take very seriously. If this seems like something you want to be a part of, I hope you come back another time, and please introduce yourself!

We are in a series on the book of Acts that we will move in and out of through summer. This book is so relevant for the church today, as we continue to ask God what the Church (capital "C") looks like moving forward. We are not too far removed from those first disciples/apostles. They had to rely on God's spirit to lead them, and so do we. My prayer for this series is that God would speak to us in mighty ways and that we would have the courage to follow.

May God inspire you and meet you where you need to be met.

In this together (and I am so glad we are!),
Pastor Karla
