Welcome . . . to the Red Brick Church

~ ~ ~

Welcome to worship!

If you are a visitor with us this morning, you
are most welcome. I do hope that you sense
God's presence here in our community. We are
an active church where love is central. Our
vision, mission, and values found on the front
of the bulletin and at pointlomachurch.org are
something we take very seriously. If this seems
like something you want to be a part of, I hope
you come back another time, and please
introduce yourself!

We are in a series on the book of Acts that we
will move in and out of through summer. This
book is so relevant for the church today, as we
continue to ask God what the Church (capital
"C") looks like moving forward. We are not too
far removed from those first disciples/apostles.
They had to rely on God's spirit to lead them,
and so do we. My prayer for this series is that
God would speak to us in mighty ways and that
we would have the courage to follow.

May God inspire you and meet you where you
need to be met.

In this together (and I am so glad we are!),
Pastor Karla
