Welcome . . . to the Red Brick Church

We are so happy you have joined us today in this season. At this time of our church life, celebration is our mode, so don't be alarmed if God fills you with joy in this place!

We began 2019 with a sermon series on the book of Acts, took a break through Lent, and are now continuing this series through the summer months. More than any other book in the Scriptures, Acts is the most relevant for us in our daily comings and goings of being the Church. God's Word is indeed alive and active, and it is easy to find ourselves in its pages. But it is not enough to view these writings as our history, we also need to see in them our present and future. May God come alive for you today and may God minister to both your individual and our collective soul through the Holy Spirit.

Whether you have been here for 50 years, or just walked through the door for the first time, please visit www.pointlomachurch.org to discover how you might Experience, Journey, Strengthen, and Transform. More information about our Vision, Mission, and Values can be found on our website as well.

Blessings, and I am glad you are here,

Pastor Karla
