## Welcome to the Red Brick Church!

We are glad you have joined us today and hope you sense God's presence through our time together here in worship!

Our theme for this school year is "*Your Story, Our Story, God's Story: BE BOLD!*" This reminds us that the choices we make and where we choose to spend our time and resources matter for the larger narrative that is still being written—the blank pages that are still coming to life. **Better put, the story of God is not over until God says it's over.** So as long as we have breath, and even after, God is at work in us and through us for His glory.

I hope whether you are new through the doors today or you have been here for 50 years, that you continually take time to reflect and ask what God wants to do through your life. We grow as individuals, and we grow together in community by showing up, AND being open to the movement of God's Spirit.

Thank you for taking the first step and showing up. Now may you be ready to receive.

Blessings,  
Pastor Karla
